Completed the 12th Grade with 79.15 percentiles.

Attained 8.34 CGPA, 8.07 CPI & 9.16 SPI in 8th Semester.

WORKING EXPERIENCE

Working at Trom Solar, Gandhinagar since October 2018 on the position of Trainee Design Engineer.

I have had about two years of experience using Solidworks 2016, proactively creating models, assembly and doing motion study and still to the date use the platform for hobby.

I have had 3 months course extensively done in PTC Creo Parametric 3.0 and 4.0 versions and have been PTC Certified after the official project in 2016.

Also have had the opportunity to do independent projects relating the animations in assemblies in Autodesk FUSION 360 since late 2016 and still actively using the online CAD tool for designing out of hobby.

With that being concluded actively I have been acquiring knowledge and practice in the fields of CAE simulating actively the CFD, HT and FEA analysis of various design projects and troubleshooting scenarios for which I also possess certificates as parts of course cum certified projects.

PROJECTS

I have successfully undertaken the Project Co-ordination task of our DEXTRA Event (2016) of Robo-War in 4th Semester

Also I was the organizer and the participant of our college's Engineering Day Celebration for Innovative Idea Project Presentation in 5th Semester.

Head of Department of Engine & Transmission for the event of SAE (Society of Automotive Engineers) BAJA 2016.

TRAININGS

Have been trained for the project of "The Double Station Wind-Pumping" at Hydro Mech Datums, a reputed Hydraulic based company located at Odhav Fire Station.

I acquired the training of the design software PTC Creo Parametric 3.0 from R_CAD Solutions, a PTC Authorized Training Center.

SKILLS

CAD: PTC Creo Parametric 3.0 & 4.0, Solidworks 2016, Autodesk FUSION 360
