Career Objective

To work with a corporate that provides open and progressive work culture, challenging job opportunities and exposure to multiple industry types. To be a part of such environment which will serve as a platform to learn and enhance my skills and fully contribute my knowledge and experience for employer's benefit and its upliftment.

Educational Qualifications

Year	Degree/ Certificate	Institute (University)	Percentage (%)
2012	B.E. (Mechanical)	SRS Institute of Technology, Bangalore, Karnataka, India.	62.00%
2008	H.S.C.	DCC Vividhlakshi, College, Jamnagar, Gujarat, India.	57.00%
2006	S.S.C	Shree Sharda Mandir School, Jamnagar, Gujarat, India.	82.00%

Professional Overview

- B.E. in Mechanical Engineering with more than 5 years of proven experience in operation, maintenance & planning management of Rotating Equipment in Oil & Gas field , plant machinery equipments and machine tools.
- Presently working as an Project Engineer (Mechanical) at **Deep Industries Limited** under the Project of **Cairn Vedanta Oil & Gas Limited** from October 2018.

Organizational Summary

Company: Deep Industries Limited. (OIL & GAS Exploration & Production)

Duration: Currently working.

Designation: Project Engineer at AGI 25 (Cairn Vedanta India ltd.)

Working with Cairn Vedanta India ltd. CBM Project (Coal Bed Methane) in the field of Engineering, operation, maintenance & planning management of Rotating Equipment.

Duties and Responsibilities :

- Installation, Commissioning, Operation and maintenance of Rotating Equipments in ONGC and Cairn Oil & Gas Facilities such as Natural Reciprocating Compressor packages driven by electric motor and Gas engines.
- Overhauling / Operation & Troubleshooting of Industrial Gas Engines like Waukesha VGP &VHP Series (1104-1480BHP) .

- Knowledge of ESM (Waukesha) & ECM(Caterpillar) Operations /Troubleshooting.
- Installation & major Overhauling of Gas Compressor Like Ariel JGE & JGK/4.
- Coordinate with OEM to resolve the problems and enhance the reliability of the rotating equipments.
- Undertaking modification jobs for reliability improvement and ease in operation.
- Planning and Scheduling preventive, breakdown maintenance of Rotating as well as Static Equipments.
- Prepare specifications and provide technical recommendations for procurement of major rotating as well as static equipment.
- Experience in the development of maintenance strategies and procedures for rotating equipment.
- Reviewing, executing functional tests, Pre-commissioning, Commissioning & SAT test procedures.
- Co-ordination and supervision of field Engineers and Technicians.
- Preventive and Predictive Maintenance program set up and execution
- Preparing Scope of Works (SOW), Schedule of Rates (SOR) documents for the works related to maintenance activities and material.
- Involved in HAZOP analysis during the procurement stage of major rotating and static equipment.
- Monitored QC related matters which included material tractability, site inspection, certification, leak test packages and punch list of all rotating equipments.
- Reporting recurring defects on Mechanical Equipment and Provide recommendations on spare parts requirement, to secure the most reliable operation and economic level of maintenance.

Company: Reliance Industries Limited

Duration: September 2015 – December 2017

Designation: Maintenance Engineer.

Duties and Responsibilities :

- Handled Corrective or Breakdown maintenance, Schedule maintenance, preventive maintenance and predictive maintenance.
- Worked in reliance industries limited as operation and maintenance engineer in Plant and machinery department.
- Operation and maintenance of transportation and earth moving equipments.
- Worked in SAP System.(PM and MM Module)
- Co-ordination and supervision of O&M agency, field Engineers and Technicians.
- Knowledge about all plant and machinery equipments like Earth moving equipment (Loader, roller, dozer...), Automobile equipment (Truck, trailer, pick up), Hydra, Hydraulic cranes, crawler cranes, D.G. Set, air compressor.
- Knowledge about HSE policy, HSE Compliance, HSE Audit and Personal Protective Equipments.

Company: GEETA MACHINE TOOL PVT. LTD. (New Bharat engineering work)

Duration : 2013 to 2015

Designation: Production ,planning and maintenance Engineer

Duties and Responsibilities :

- Planning and Production of the machines from casting to dispatch including foundation and assembly.

- Measurement of the machine parts as per drawing using measuring instruments.
- Quality Control, production, planning, maintenance of SPM machines.
- Works on AutoCAD.
- Co-ordination and supervision of vendors and Technicians.
- Production and Maintenance of Special purpose machines like Drilling, tapping, centering machine, Milling, Lathe, Grinding machine, Shaper machine etc.

Company: Parekh Marine Transports

Duration: 2013 – 2013

Designation: Supervisor

Duties and Responsibilities

- Maintain records of vehicle and goods quantities.
- Maintenance of transportation equipments.

Technical Skill

- Knowledge of ESM (Waukesha) & ECM (Caterpillar) Operations /Troubleshooting.
- Installation & major Overhauling of Gas Compressor Like Ariel JGE & JGK/4.
- Knowledge in project management and instrument like, Pressure gauge, Pressure transmitter, Thermocouple, Temperature Transmitter, Flow Transmitter, RTD, Level transmitter, Pressure Safety Valve, Control Valve By using Hart Communicator 475
- Knowledge about all plant and machinery equipments like Earth moving equipment (Loader, roller, dozer...), Automobile equipment (Truck, trailer, pick up), Hydra, Hydraulic cranes, crawler cranes, D.G. Set, air compressor.

IT Skills

- Applications known – MS Office, MS Excel.
- Operating Systems – Well versed with all windows platforms.
- **SAP** (Systems Application Product)-PM Module & MM Module

Personal Skills & Hobbies

- Strong interpersonal, leadership and communication skills.
- Possess improvised soft skill set in managing multiple contractors and clients.
- Honest and sincere approach in duties and responsibilities.
- Can work in challenging assignments, sincere and confident.
- Like to play carom and travelling,
- Interested in learning new technologies, being a fast learner.
