EDUCATION

B-Tech

Government College Of Engineering. Karad

07/2015 – 06/2019

Karad, Maharashtra

Courses

- Mechanical Engineering

HSC

R. K. T College of Arts, Science and Commerce

07/2013 – 03/2014

Ulhasnagar, Maharashtra

Courses

- XII Science

SSC

Wisdom English High School

04/2011 – 05/2012

Murbad, Maharashtra

Courses

- X

SKILLS

CATIA

ANSYS

CNC Programming

Team player

Leader

Quick learner

Good Communication

Expressive

Quality Oriented

Hard working

MAJOR PROJECT

Experimental Validation Of Eigen Value problems of Vertical Model (08/2018 – 04/2019)

- Mathematical modelling of Single Degree Of Freedom System and Multi Degree Of Freedom System.
- Calculation of Eigenvalues using MATLAB
- Validation of theoretical frequency with Practical frequency.
- Studying response of the system under different excitation frequencies.
- Study of reasons responsible for difference in readings.

ORGANIZATIONS

Government College Of Engineering. Karad
(07/2015 – Present)

Emerson Climate Technologies pvt ltd. (06/2018)
Internship

LANGUAGES

English

Full Professional Proficiency

Hindi

Full Professional Proficiency

Marathi

Full Professional Proficiency

Arabic

Elementary Proficiency

INTERESTS

Learning New things

Volleyball

Writing

Web Series
