Cad Cam Engineer

Anmolsolanki07@gmail.com

+91-8980827004

Ahmedabad, India

Seeking opportunity to develop more designing skills and gain wide experience in advance manufacturing technologies.

Education

- June-2018** CGPA-7.62
Bechelor in Mechanical Engineering
Sal college of Engineering
Ahmedabad from
- March-2014** 56.66%
Higher Secondary Education
Shree Sharda Higher Secondary
School Memnagar, Ahmedabad.
- March-2012** 71.35%
Secondary Education
Shree Swaminarayan High School, Fatsar

Personal Projects

Removal of Casting Defects In impeller

Nearly 50 casting were prepared and all the components were found to be free of shrinkage and blow holes. Hence 100% defets free impellers could be produced by using new design of gating system along

Internships & Vocational Training

- June-2016** 1 Week
Internship-1
Cgpl Power Plant (Tata Power): Mundra
Manufacturing of Thermal Power generation.
- June-2017** 15 Days
Internship-2
Narmada Cement- Jafrabad Works Ultratech Cement Limited.
Manufacturing ordinary Portland cement(OPC) 33 Grade.
- June-2018** 2 Months
Internship-3
Jee Pumps Pvt Ltd.-Kubadthal
Manufacturing all kind of process and industrial pumps.

Skills & Components

- Autocad**
 - Familiarity with Autocad 2D and Good at reading and writing specifications.
 - Created and maintained plans and drawings.
- Solidworks**
 - Basic part modeling
 - Assembly modeling
 - Mold design and sheet matel
 - Weldmate
- NX-CNC Programming**
 - Write CNC programs for 2 and 3 axis lathes.
 - Design Dies, Jigs & Fixtures for all machines and parts.

Industrial Visits & Achievements

- Industrial visit**
 - Indo German Tool Room-2016
 - IFFCO:Kandal-2016
 - Adani Port: Mundra-2017
- Extra Curricular Activities**
 - Participated in metal scrap event organized as part of GTU techfest.-2016
