TO,

The HR Manager,

I am submitting here with my resume for your perusal and consideration for the post of Mechanical Engineer in your organization.

To describe myself in short, I am systematic, organized and hardworking; ready to take up any challenge at workplace.

Review of my credentials will indicate that I am a qualified **Mechanical Engineer** and currently spearheading **TRAINEE Engineer** with NARMADA SUGAR FACTORY, RAJPIPLA. I am seeking a challenging job that would synergize my skills and knowledge with the objectives of the organization.

I am confident of making visible contribution for the growth of the organization. I'd appreciate the chance to meet with you in person to discuss as to how I could be a vital part of your organization.

Thanking you,

Yours sincerely,

MEHUL N PANCHAL
