CAREER OBJECTIVE

Looking for a position of production engineer where I can integrate strategies to develop and expand existing production and product evolution and use my skills and technical knowledge for the benefit of the Company.

EDUCATION

2019 Mechanical engineering
Gandhi institute for technological
advancement, Bhubaneswar
7.3 CGPA

2014 12th
Dayanand Anglo Vedic Public
School
70%

TECHNICAL SKILLS

MS EXCEL basic
Various machine operations like base valve
assembly, spring fitting, spinning, DFT, torquing, stacking
etc at suspension assembly line.

EXPERIENCE

-
Paid internship at ENDURANCE
TECHNOLOGIES PVT LTD as
Production supervisor at
suspension assembly line.

PROJECTS

Testing abrasive and erosive wear strength of material

90 days

The primary goal of this project was to design and build an abrasive/erosive wear test machine which is capable of providing variable media velocity and flow rate as well as variable angle for the test material. Dry sand and different crops such as rice and corn will be used as the abrasive media. The test materials will be various metal samples.

PERSONAL PROFILE

Date of Birth 05/04/1997
Fathers name Manoj kumar
Marital Status Single
