PROJECTS

Failure analysis of crankshaft (auto mobile)

3 months

In our project we described all the basic details about crankshaft and the the most important thing that we have described every single reason why failure occurs in crankshaft

Testing of oil and gas filled shock absorber

3 months

In our project we explained why gas filled shock absorber is more efficient than oil filled shock absorber.

We have done this by using different type of testing setup.

(1) oil filled

(2) gas filled
