

CHERAN INDUSTRIES

WARM GREETINGS

It's our pleasure in introducing about our company and its profile to your esteemed group. We have a well-established infrastructure and expertise team to satisfy, deliver an outstanding work output. With our immense infrastructure, we have a sparing capacity for contract manufacturing. We kindly request you to view our below mentioned profile in detail and give us an valuable opportunity in case of any requirements to work along with, for which guaranteed and trustworthy business track will be assured.

Vision:

To serve the most simplified, smarter, efficient range of water lifting pumps at uttermost affordable price with commendable quality to the mankind and society.

Mission:

Analyze, plan, and perform each day for a better & positive output combined along with teamwork, appreciable business ethics & most vibrant work force.

History of the Group:

The founder MR.P.G.Mahalingam named the group CHERAN with the principles of “quality at its best”. Initially being a son of a farmer from a village, founder understood the day-to-day toughness and hardness faced by the farmers. Once when the water scarcity was at peak during **late 80`s**, he had an idea to opt for a bore well service in his own farm to sort out the scarcity issue, when the bore work was done he faced tremendous risk in getting the suitable motors and pumps at affordable price for his bore well. That incident kindled his heart repeatedly about the toughness faced by a farmer to satisfy his or her own basic need of water. Since then he was repeatedly planning to find a solution for these problems in a wide range to help all his fellow farmer bloods. Learning all the ethics behind the system he proclaimed to set up a service and motor pump set unit in **early 90`s** which paved the basement for the **Cheran groups**. To stand unique and provide the best service many special schemes like onsite field inspection, customized un-size pump sets based on the consumer’s requirement were introduced by the company which was highly welcoming. Later step-by-step people`s choice towards the firm was highly appreciating as the company’s products, its system and service was highly satisfactory to all the customers. With the Valuable customers, trustworthy Stakeholders, Step by step many business ventures have been started up one by one under the group. At present the group has below mentioned various different portfolios of businesses servicing the people around the globe,

1. CHERAN INDUSTRIES
2. CHERAN BEAUTYCARE PRODUCTS
3. CHERAN TRADERS
4. MAYURA PUMPS
5. CHERAN AGRO PRODUCTS

Key people of the group:

P.G.Mahalingam (Managing Director)

HarishankarMahalingam, Msc (United Kingdom) -Managing Body

SreekumarMahalingam, MBA (Switzerland) -Managing Body

Cheran and its Quality policy:

Cheran Pumps was established in the year 1992. We are one such leading manufacturer of motor pump sets in Coimbatore with skilled and well experienced R & D and Quality Control Team. We take immense care at each stage right from the design up to packing to deliver the most efficient range of products.

Key Facilities:

Company has a wide infrastructure with computerized numerical control machines to align the accuracy of the components being produced. With the prevailing set up of infrastructure and machineries, turnover of Rs.1.5 million per day can be attained. Each department has it unique qualified candidates and staffs to look over the proceedings. Pneumatics and hydraulic set up has been set up on the core areas to make the production task simpler. Each and every stage of processing method is keenly monitored & necessary calibrated most effective precision instruments are used at each stage to maintain the material accuracy in design, structure & drawing.

Raw materials:

Raw materials are being sourced from all around India based on the quality & perfection. Compulsory inspection, adequate lab test for the materials are keenly registered, before taking it into assembling process in order to maintain robust efficiency of the product.

Certifications:

BEE five star rating

ISO 9001:2015

BIS CERTIFICATION

CERTIFICATION	PRODUCT	RANGE
IS 8034 : 2002	Borewell Submersible Pumpset	1.0 HP to 15.0 HP
IS 9283 : 2013	Borewell Submersible Motor	1.0 HP to 15.0 HP
IS 14220 : 1994	Openwell Submersible pump	2.0 HP to 10.0 HP
IS 8472 : 1998	Centrifugal Regenerative Pump	0.5 H.P, 1.0 H.P

PRODUCT RANGE

A) 1Phase Centrifugal Regenerative Pump (Self Priming)

Sl.no	Hp	Pipe Size	Total Head upto
1	0.50	25*25 mm	21m
2	0.50	25*25 mm	30m
3	1.00	25*25 mm	40m

B) 1Phase Centrifugal Jet Pumps

Sl.no	Hp	Pipe Size	Total Head upto
1	0.5	32*25*25, 40*32*25 mm	30m
2	1.0	32*25*25, 40*32*25 mm, 1stage,2stage& multistage	50m
3	1.5	32*25*25, 40*32*25 mm, 1stage,2stage& multistage	70m

C) 1Phase Centrifugal Monoblocks

Sl.no	Hp	Pipe Size	Total Head upto
1	0.5	25*25, 32*25, 40*40 mm	22m
2	1.0	25*25, 32*25, 40*32, 40*40, 50*40, 50*50 mm	27m
3	1.5	32*25, 40*32, 40*40, 50*40, 50*50, 65*50 mm	33m
4	2.0	50*40, 50*50, 65*50, 65*65, 80*65 mm	27m

D) 1 Phase Openwell Submersible Pumps

Sl.no	Hp	Pipe Size	Total Head upto
1	0.5	25*25	21m
2	1.0	25*25, 32*25, 40*32, 50*40, 50*50mm	27m
3	1.5	32*25, 40*32, 50*40, 50*50, 65*50mm	33m
4	2.0	50*50, 65*50, 75*65, 75*75	30m

E) 3 Phase Openwell Submersible Pumps(Horizontal)

Sl.no	Hp	Pipe Size	Total Head upto
1	3.0	50*50	27m
2	5.0	65*50, 80*65, 80*80 mm	30m
3	7.5	65*50, 80*65, 80*80, 100*80mm	40m
4	10.0	80*65, 80*80, 100*80, 100*100mm	45m

F) 3 Phase Openwell Submersible Pumps(Vertical)

Sl.no	Hp	Pipe Size	Total Head upto
1	3.0	50,65mm	54m
2	5.0	50,65mm	105m
3	7.5	50,65mm	125m
4	10.0	50,65,80mm	145m
5	12.5	50,65,80mm	145m
6	15.0	50,65,80mm	150m
7	20.0	50,65,80,100mm	150m
8	25,30	50,65,80,100,150mm	150m
9	35,40	50,65,80,100,150mm	180m
10	50,60	50,65,80,100,150mm	220m

G) 1 Phase Borewell Submersible Pumps(4")

Sl.no	Hp	Pipe Size	Total Head upto
1	0.5	25mm	50m
2	0.75	25mm	70m
3	1.0	32, 40mm	90m
4	1.5	32,40,50mm	140m
5	2.0	32,40,50mm	170m

H) 3 Phase Borewell Submersible Pumps(4")

Sl.no	Hp	Pipe Size	Total Head upto
1	1.0	32,40mm	95m
2	1.5	32,40,50mm	160m
3	2.0	32,40,50mm	225m
4	3.0	32,40,50mm	260m
5	4.0	32,40,50mm	275m
6	5.0	32,40,50mm	390m
7	6.0	32,40,50mm	420m
8	7.5	32,40,50mm	474m

I) 3 Phase Borewell Submersible Pumps(6")

Sl.no	Hp	Pipe Size	Total Head upto
1	3.0	50,65mm	70m
2	4.0	50,65mm	110m
3	5.0	50,65,80mm	140m
4	6.0	50,65,80mm	190m
5	7.5	50,65,80mm	240m
6	10.0	50,65,80mm	280m
7	12.5	50,65,80mm	320m
8	15.0	50,65,80mm	330m
9	17.5	50,65,80mm	375m
10	20.0	50,65,80mm	390m
11	Above 20.0	50,65,80mm	Above 400m

Specially customized pump sets:

Apart from the above-mentioned products, we are much specialized and expertise manufacturers of below mentioned customized bore well and open well submersible pump sets,

A) 133 mm (v6) borewell pumps.

B) 125 mm (v5) borewell pumps.

C) Full Stainless steel V4 borewell pumps.

D) Full Stainless steel V6 borewell pumps.

E) Solar powered pumps.

F) Low voltage series submersible bore well/open well pumps.
