Dear Sir/Madam,

Metal Techno Cast is a solution for all kinds of casting service in Green sand and Grey Cast Iron. Let me take this opportunity to introduce myself, I am Biren Vora founder of Metal Techno Cast. I bring 30+ years of experience in casting industry.

Our mission is to produce high quality and reliable product for the Customer. Our proactive approach to technical issues enables our customers to understand and implement cost-effective solutions. We understand that you are looking for trustworthy vendor for Casting for your ongoing or upcoming projects. Another important strength of our company is Time Management. We render our maximum effort to fulfill customer requirement in achieving best quality, timely delivery with competitive cost. We welcome your interest and participation to be part of our company through which both of our organization would grow.

In case of any casting requirements please let us have your valued enquiry.

Your's truly,
For Metal Techno Cast

Biren Vora
